

## **Travel Directions to SCVO and parking information**

Sandwell Council of Voluntary Organisation (SCVO) is located on the 1<sup>st</sup> Floor, Landchard House, Victoria Road, just off the High Street, in West Bromwich.

Postcode for satellite navigation users: B70 8ER

The area around the office is well served for parking. There is cheap pay and display parking adjacent on Victoria Street (short stay – up to 4 hours) or Edward Street (long stay). We have limited on site car parking which can be used in exceptional circumstances by arrangement. Otherwise there is a short stay car park further down Victoria Street costing 40p per hour.

Please note that Sandwell MBC's parking control office is also located on Victoria Street, so do not overstay your parking.

We are a short bus or taxi ride from Sandwell and Dudley station. We are adjacent to the Lodge Road/West Bromwich Town Hall Metro (tram) stop – walk up the long ramp and turn left. You are now in Victoria Street. Cross the road, walk past the car park, the car wash and the Elim Church, Landchard House is the next building along the road. It is about a five minute walk from the Metro to our office. We are also very close to West Bromwich bus station.

Landchard House has easy access for wheelchair users and there is a lift to all floors, from Reception.

Tel: 0121 525 1127 for further information
