30<sup>th</sup> July – 12<sup>th</sup> August 2018

Welcome to another edition of SCVO's fortnightly 'Funding Digest'.

As ever, you will find a snapshot of funding opportunities, large and small, to complement the other support services that we offer. However, if every two weeks just isn't enough to satisfy your funding appetite, why not sign up for our **funding portal**? It only takes a minute and you will be able to search a national database detailing most UK funding opportunities; there is **no cost** – yes, it really is **FREE** - and the search facility has been updated to make your search even easier:

[www.scvo.info/local-vcs-intelligence/funding-portal/](http://www.scvo.info/local-vcs-intelligence/funding-portal/)

For those who might be new to the Digest, it is compiled by researching a variety of sources. Unfortunately, there is not the time to research each item thoroughly and, therefore, the accuracy of information provided cannot always be guaranteed. **All users of the digest are encouraged to contact the funder or source of the information directly, using the web links or contact details provided.**

In addition, users can contact the Development Team at SCVO (on 0121 525 1127 or by e-mail at: [support@scvo.info](mailto:support@scvo.info)) to request assistance with identifying funders, making funding applications or planning your fundraising strategy.

Please also have a look at the [Information Appendix](#) to this digest – we have collated a number of very useful resources to help you with your funding applications.

Finally, SCVO, like many organisations that receive this digest, is a voluntary sector and charitable organisation that must report on outcomes and achievements to its funders and supporters. SCVO welcomes your feedback on the content, layout and value of the digest and, in particular, would like to know if, as a result of this or any previous digest, **you have applied for funding OR you have been successful in raising funds or acquiring resources.**

**Please send all feedback to Stuart at the contact details given below.**

### **Sobell Foundation (The) – Deadline: Rolling**

The Sobell Foundation was established by the late Sir Michael Sobell in 1977 for general charitable purposes and is a grant-making trust with which he was actively involved until shortly before his death in 1993. The deed of charitable trust, under which the Sobell Foundation was formed, is not specific about the objects of the Trust and allows the Trustees absolute discretion to apply funds for general charitable purposes.

We are not involved in fund raising and rely upon income from our investments to make grants. Grants tend to be made in line with the founder's interests which are principally causes benefiting children, the sick, elderly, needy and disabled. The Trustees aim to achieve a reasonable spread between Jewish charities (operating principally in the U.K. and Israel) and non-Jewish charities operating in the UK.

We will only consider applications from charities registered with the Charity Commission, or charities that hold a Certificate of Exemption from the Inland Revenue. Overseas applicants must supply the details of a UK registered charity through which grants can be channelled on their behalf.

We concentrate our funding on small national or local charities; the trustees are unlikely to support large national charities which enjoy wide support. We do not accept applications from individuals.

Schools work together, learning from each other in clusters of 15 schools in a suitable geographical area, attending four local workshops throughout a year. The workshops teach the school's representatives about energy saving in their buildings, how to engage with their fellow staff and students about energy, and educate them about the link between sustainability, energy use and efficiency. So far, 269 schools have benefitted from the scheme with those taking part saving on average £2,600 (and 10 tonnes of carbon) in their first year.
