

WHAT IF...

Carers

Black Country Healthcare
NHS Foundation Trust

...you could change the specialist complex mental health needs services available for the person you care for?*

- What is working well?
- What needs to improve?
- What would you like to see in the future?

Join our friendly online chat

This informal group chat will be a safe space to share your experience and ideas with other carers.

We want to know what you think so we can make positive change for the person you care for, you and our Black Country communities!

*long-term emotional difficulties, trouble coping, or mental health difficulties sometimes described as a 'personality disorder' or 'complex needs'

This conversation is part of our work to improve mental health services across the Black Country.
