Tipton in Bloom - Botanical Mapping

1pm-3pm, Tuesday 17th February
Glebefields Library, Glebefields Estate, St Mark's Rd,
Tipton DY4 0SZ

Drop in for 10 minutes or stay for the whole session

What's it about?
Help us re-imagine Tipton 's urban landscape! We are using art to highlight the town's hidden nature, from the Tipton Canal and Sheepwash Nature Reserve to the wildflower patches in Victoria Park.

The Activity:
Join us to create a collaborative "Green Map" of our town. You'll use botanical and wildlife stencils and collage techniques (flowers, leaves, and local fauna) to layer nature over a map of Tipton's streets and industrial areas.

No Art Skills Needed: If you can hold a stencil, you can take part!

Share Your Stories: Tell us about your favourite local walking spot or the wildlife you've spotted in your garden.
